

SYIS New Student Math Survey

Please answer the following questions to help us know a little more about your most recent mathematics studies.

1. What school did you attend before coming to SYIS?
2. What was the name of your most recent mathematics course?
3. Check the topic(s) that best describe your most recent mathematics course. If none of the descriptions apply, please write your own description.

Pre-algebra

Algebra

Geometry

Integrated Math (a variety of topics)

Other (please describe):

4. What was your average grade in your most recent mathematics course? (give your answer as a percentage)
5. What is your own assessment of your mathematical skills? Give us an idea by rating yourself on a scale of 1 (very weak) to 10 (extremely strong). #_____

1 2 3 4 5 6 7 8 9 10
